

BOYS DEMONSTRATE THEIR PROFICIENCY

Bill and Circus Is Held on Big Floor of Richmond Grays' Armory.

BOY SCOUTS TAKE PART in Their Skill in First-Aid to Injured and in Other Forms of Scoutcraft—Large Audience Witnesses Drill.

More Boy Scouts belong to the Richmond troops in proportion to the white population than in any other city in the United States, and in regard to the fire population Worcester, Mass., is the only city that surpasses it. That fact has been the reason for the large crowd of mothers and fathers and friends who crowded in the Grays' armory last night at the annual review and circus of the 500 scouts of the city.

President John Stewart Bryan, of the Richmond Council, presented the Bill and Star badge to Scout Edith Lee, Roy Flannagan, who won the highest honors that come to a scout. Eagle Scout badge, was not presented, but will be tomorrow morning. With Mr. Bryan in reviewing the troops were Adjutant T. O. Heintz, secretary of the Scout Masters' club, E. R. Thompson, treasurer; William Todd, member of the board of honor, and Edward Williamson, Eagle Scout. The visitors from out of town also were present at the reviewing and they were Scout Griffith Moore, Scout Caldwell Breckenridge, Vannell, Martin F. Abbott, G. L. Woodhouse, of Suffolk, and J. H. Mitchell, out master from Fredericksburg. Eighty Scouts.

REPEAT SCOUT OATH AND LAW OF SCOUTS

The troops assembled outside of the Grays' Armory at 7:30 o'clock and marched into the armory at 8 o'clock for the grand review. After the troops had been reviewed, the Scout Masters' oath was repeated simultaneously. "On my honor I will do my duty to do my duty to God and my country and to obey the Scout Law; to help other people at all times; to be myself physically strong, mentally awake and morally straight." The boys also repeated the Scout Law, "A Scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean and reverent."

D. W. Gurrett announced the plans for the summer camp at Centralia Station. The camp director this year is an Indian who teaches school in the winter and lives in the woods during the summer. His name is Frank Green.

DEMONSTRATE KNOWLEDGE OF FIRST AID WORK

Then the boys, with precision and drill, started to compete, one by one, in the sixteen events on the circus big tent. First aid to the injured drill was executed with a confidence which was from long training. Several of the "badly wounded" boys were left on the floor while a squad of boys approached each one. Two boys about six feet long were carried by the youngsters. Grasping with his hands the ends of the two poles, the boy had the other boys pull in back and over his head with the pole through the sleeves. Four of the other boys followed and a stretcher was made with the boys' coats. The end of the fifth boy was used for a pillow.

HEADS FRESHMAN CLASS

St. D. Cleveland, Son of Late President of United States, Elected by Princeton First-Year Men.

[Special to The Times-Dispatch.] PRINCETON, N. J., March 18.—R. D. Cleveland, son of the late President Cleveland, was today elected president of the freshman class at Princeton.

Cleveland, prepared for Princeton at Exeter Academy, where he was a member of the football and track teams.

SCHOOL ENTERTAINMENT

The Religious School of the Council of Jewish Women will give an entertainment this afternoon at 3 o'clock in the auditorium of John Marshall High School, in celebration of Purim and the tenth anniversary of the school. All friends of the school are cordially invited.

SAGE TEA DARKENS HAIR TO ANY SHADE

Don't stay Gray! Here's an Old-time Recipe that Anybody can Apply.

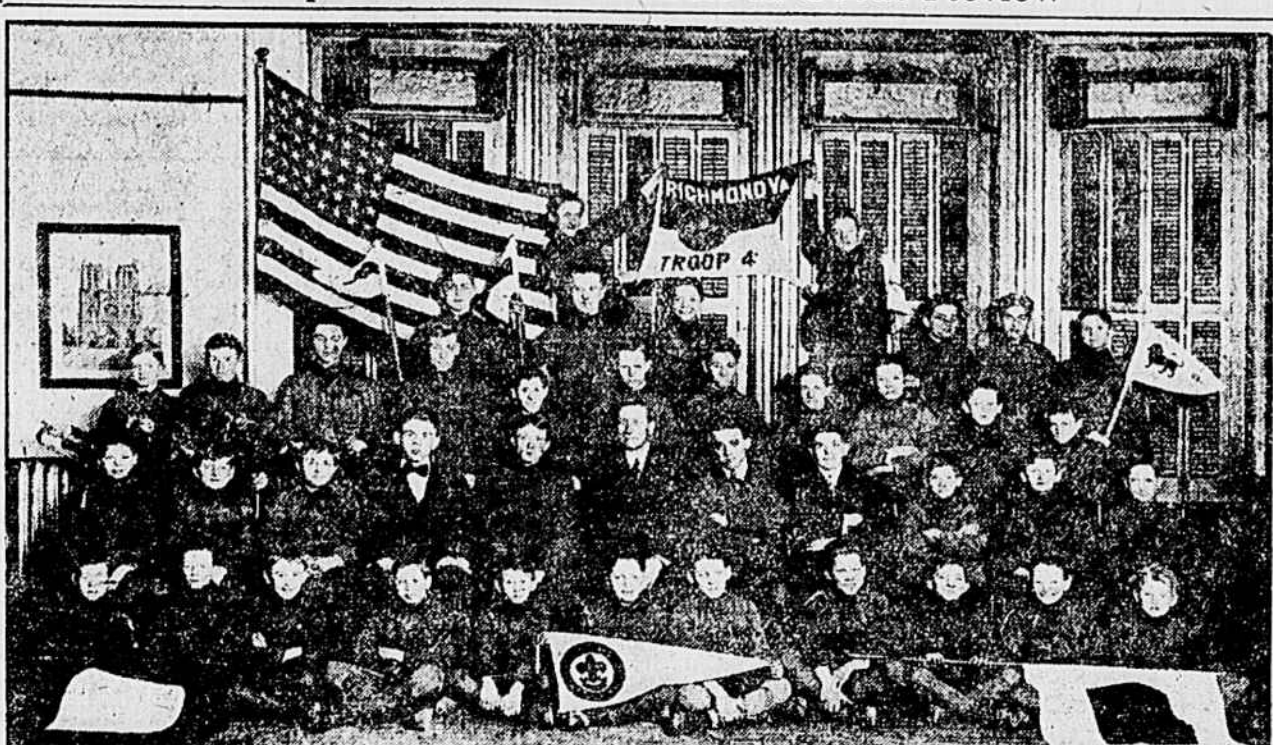

The use of Sage and Sulphur for receding faded, gray hair is a natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that faded, faded appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50-cent bottle of Wyeth's Sage and Sulphur Compound, you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dip a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

TEACHERS OF DISTRICT MEET HERE ON FRIDAY

Will Discuss Movies and Cigarette Smoking Among Boys Under Sixteen Years Old.

CHANDLER TO MAKE ADDRESS

Will Speak on the Relation of the Teacher to the Child—School Athletics and Gymnasium Work to Be Debated.

The cheap moving picture and the boy under sixteen who smokes cigarettes will be two of the subjects to be discussed at the meeting of the Third District Teachers' Association, which will hold a two-day session here, Friday and Saturday. The teachers themselves have brought forth the problems which confront them in their work and the two mentioned above, judging from the number of pedagogues who have submitted them, are the ones of greatest import.

Hoge Hicks, justice of the juvenile court, has been asked to speak at the opening session Friday afternoon on the two problems. The subject of his talk will be "The Moving Picture and Violations of the Cigarette Law."

Dr. J. A. C. Chandler will make an address at the afternoon session Friday on compulsory education. Joseph Saunders, principal of the Richmond Junior High School, will speak on "School Taxation." James B. Doherty, Commissioner of Labor, or J. Bernard Glendier, factory inspector of the State Bureau of Labor, will speak on "Child Welfare."

WILL DISCUSS RELATION OF TEACHER TO CHILD

At the night session at the John Marshall High School Friday night, Chandler will make the principal address speaking on "The Relation of the Teacher to the Child." The night session will be over by 9 o'clock, after which the Richmond teachers will act as hosts to the visiting teachers at a reception and dance in the John Marshall High School. Refreshments will be served and a musical program will be given.

The teachers of King William County, headed by H. L. Eubank, will hold their regular spring meeting here in addition to attending the sessions of the district conference. They will come to Richmond Thursday. The teachers of Henrico County will enjoy a full holiday Friday. The Richmond schools will close at 2 o'clock in order that the teachers may attend the opening session.

Dr. Philip S. Spence, director of physical education, will have a demonstration of physical training classes in the John Marshall High School, Friday at 2 o'clock. Folk dancing and drills will be the features. Pupils will be taken from the various schools and the vocational night school gymnasium class will have a short basketball game.

At the Saturday morning session there is a list of twenty-five questions ranging from school athletics to poor English in the home to be discussed by the teachers present. It is the purpose of the association to exchange ideas and on the return to their respective districts to make an effort to correct the evils.

UNDERGOES OPERATION

Samuel S. Greene, son of George S. Greene of Clifton Forge, deputy clerk of the House of Delegates, is at the Johnston-Willis Hospital, where he underwent an operation yesterday. His condition is reported as satisfactory. He is a student at Randolph-Macon College.

MOLLIE WHITE ORDERED TO MOVE

Mollie White, colored, was fined \$100 and costs in the Police Court yesterday on a charge of maintaining a disorderly place. This is the third time she has been convicted of a similar charge within the last ten months. Policemen Sweet and Akers arrested her several days ago. She noted an appeal Justice Critchfield told her that she would have to move from the house she has been occupying, at Exchange Alley.

CONSTRUCTION WILL BE BEGUN WITHIN TEN DAYS

Chesapeake and Ohio Engineers Are Completing Surveys for Du Pont Extension.

STARTS FROM WILLIAMSBURG

March Equipment Orders Show Entire Recovery of Railroads From Early Days of War Depression. Coal-Carrying Road to Be Sold.

With the completion of surveys by Chesapeake and Ohio Railway engineers this week and the final selection of the route for the new branch line from Williamsburg to the location of the new dynamite plant to be erected by the Du Pont Company, actual construction work will be started. Railroad officials said yesterday that the direction of the new line would be determined this week, and that a large force of workmen would be sent to the location at once. Construction will be under way within ten days.

April 23 under a foreclosure decree. This road connects at Norton with the Chesapeake and Ohio, the Louisville and Nashville and Southern, extending in a northerly direction five miles to Wise, the county seat of Wise County. At present it serves four coal mines and the county seat. With the construction of forty-one miles to the Kentucky line, it is said, connection could be made with the Carolina, Clinchfield and Ohio and the Chesapeake and Ohio, serving the county seat of Dickenson County and running through a coal field covered with much hardwood timber.

SUPREME COURT IS TO REVIEW CEDAR WORKS SUIT

Hiram Hodges Complains of Action of Trial Court in Ordering Drainage Ditch Cut Through His Land.

The State Supreme Court of Appeals yesterday allowed a petition for review filed by Hiram Hodges against the Richmond Cedar Works, in which the petitioner complains that he is aggrieved by orders of the Circuit Court of Norfolk County entered on June 8, August 7 and August 12, 1915. The controversy relates to condemnation proceedings instituted by the Richmond Cedar Works to cut a ditch through the petitioner's lands. Hodges claims in his petition for review that the ditch is for the private benefit of the Richmond Cedar Works, and does not serve a public need. Since the company is not competent to exercise the power of eminent domain, not being a public service corporation, the petitioner claims that the court orders allowing the cutting of the ditch do him injury.

PRIZE FOR ESSAYS

The Woman's Prohibition League of America will present to the girl or boy in any Sunday school in the South who will write the best essay on "Total Abstinence From a Biblical Standpoint," \$25 in gold. The essay is not to have less than 1,000 words nor more than 2,000. Only young people between the ages of twelve and seventeen years will be allowed to compete. The essays must be typewritten and sent to headquarters, 115 North Fifth Street, Richmond, not later than July 1, with the name of the writer written on a slip of paper and inclosed. Public school prizes are offered to the boy and girl in the high schools of the State who will write the best essay on "The Effect of Narcotics on the Human System," a \$5 gold piece will be presented. Graded school prizes are offered to the boy and girl in the graded schools who will write the best essay on "The Effect of Alcohol on the Body," a \$2.50 gold piece will be awarded.
